Education

**National Technical University of Ukraine "Igor Sikorsky Kyiv
Polytechnic Institute"**
Specialty - Software Engineering, 4 course

*Kyiv, Ukraine
Sep 2018 - Jun
2022*

About me

I live in Kryvyi Rih, but I am searching job in Kyiv, because I study there. It's more preferable for me, if job will be offline. I like to swim, read books and computer games.
